Community Reviews for this School

I LOVE this school. I have been affiliated with the school for 15 years - from living near by, having friends send their kids there, sending my kids, tutoring at the school and volunteering. The population is EXTREMELY diverse from ethnicity to socio-economic. I choiced my kids in - bc I love it so much. The teachers are top notch and definitely find ways to enagage your child. The new principal - going on three years is doing a great job as well. Check out and see for yourself. I doubt you will find a better fit for your elementary student in DPS.
