Evergreen high school is a place where being challenged is common. Teachers and faculty constantly challenge students to better themselves in anything whether it be sports, academics, or better themselves as people in society. At evergreen everyone is there to help you be the most successful you can be. Sports at evergreen are fantastic and something participants will never forget. Evergreen high school has won two blue ribbon awards and is considered one of the most academic rigorous schools in the country. They definitely prepare you for college and the experiences you have and friends you make will give you life long memories.

Evergreen is truly an exceptional school! Challenging, interesting classes are taught by caring, knowledgeable, supportive teachers. Lots of great technology and other resources. Athletics are outstanding. Most students are great kids-by senior year pretty much everyone is friends with each other which is a really cool atmosphere to be in. I had a blast going here and I'm definitely going to miss Evergreen but I feel very prepared for college. For anyone considering Evergreen, I'd highly recommend it!

Evergreen High School is doing a great job in readying me for college, I feel that the courses are rigorous, engaging, and push me to do my best. All of the teachers that I have had at Evergreen are caring and involved, they truly care about how you are doing in school, and in life as well. There are many clubs and activities to take place in, which all help to further involve students in things they are interested in. Although I have found my education and teachers so far to be top notch I feel the administration has some problems. Specifically in dealing with disciplinary issues, in knowing those who have had to be punished for behavior, they have had unnecessarily horrible experiences, as a school is supposed to be a safe place for all students. Because of this I feel that the administration needs to improve the way they deal with students who break the rules or have behavioral issues. Despite this I have found my time at Evergreen High School to be a great one!
