Smoky Hill High School has been a wonderful experience for my 11th grader almost senior - they have a wide diversity of kids and lots of activities and support for the kids there. Their International Baccalaureate program was a really well-rounded program for my son. He is ending his junior year with a 4.5 and he has had 4.0 the whole three years there. Without the help and encouragement and advice of his teachers and peers, he might not have achieved that. My 8th grader is beginning high school there in the fall and I am excited to see what it will bring for him - all in all, it is a wonderful place to get a great education! Thank you, Smoky!

My experience at Smoky Hill is amazing! Everyone is always so nice. The academics helps in many ways, teaching kids different ways to understand. The spirit of our school is like no other. We are all one at football and basketball games. Cheering in our sports is always fun!
