Community Reviews for this School

Posted: 2/14/2018 by Senior

Cresthill strives to put the student education quality above all else. The principal genuinely cares for each one of the students, making it a priority to engage with the student body. In addition to exemplary academics, Cresthill has phenomenal athletics and clubs. I personally was a cross country and track athlete both of the years I attended Cresthill and was well prepared for high school varsity athletics. Teachers will work with students to design clubs that are not yet available, encouraging students to engage with the community outside of a school environment. Overall the two years that I spent at Cresthill were some of the best years of my early academic life, which is something I few people can say about middle school. Cresthill truly taught me good leadership skills and character that I will carry with me for the rest of my life.
